

Futter Butterflies

You will need

- Bendy drinking straws
- Coloured card
- Tissue paper
- Ribbon or string

- 1) Cut out a butterfly shape from the card.
- 2) Cut out a slightly small butterfly shape from the tissue paper.
- 3) Place the tissue paper over the card
- 4) Cut the end off one bendy straw, you will need the end with the bendy bit, (cut just below the bendy bit)
- 5) Cut down the middle of the bendy part of the straw to make two antennas
- 6) Tape or glue the straw to the centre of the butterfly body.
- 7) Thread the ribbon or string through the butterfly body.

You now have a flutter butterfly, make a few and hand them in you room..
